

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2018/19, Sections 1 and 2

- An authority that wishes to declare itself exempt from the requirement for a limited assurance review must do so at a meeting of the authority after 31 March 2019. It should not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority **must** comply with the requirements of the Transparency Code for Smaller Authorities.
- The authority **must** comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.
- The authority **should** receive and note the annual internal audit report if possible prior to approving the annual governance statement and before approving the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- **You should inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.**
- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on **page 6**, should a question be raised by a member of the public. There is guidance provided in the *Practitioners' Guide** that may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2018) equals the balance brought forward in the current year (Box 1 of 2019).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the approved accounts and accounting records can be inspected. Whatever period the RFO sets **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2019**.

Certificate of Exemption – AGAR 2018/19 Part 2

To be completed by smaller authorities where the higher of gross income or gross expenditure did not exceed £25,000 in the year of account ended 31 March 2019, and that wish to certify themselves as exempt from a limited assurance review under Section 9 of the Local Audit (Smaller Authorities) Regulations 2015

There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, **provided** that the authority has certified itself as exempt at a meeting of the authority after 31 March 2019 and a completed Certificate of Exemption is submitted notifying the external auditor.

STAUNTON ON WYE GROUP PARISH COUNCIL

certifies that during the financial year 2018/19, the higher of the authority's gross income for the year or gross annual expenditure, for the year did not exceed **£25,000**

Annual gross income for the authority 2018/19: £ 3550.00

Annual gross expenditure for the authority 2018/19: £ 18,188.21

There are certain circumstances in which an authority will be **unable to certify itself as exempt**, so that a limited assurance review will still be required. If an authority is **unable to confirm the statements below then it cannot certify itself as exempt** and it **must** submit the completed Annual Governance and Accountability Return Part 3 to the external auditor to undertake a limited assurance review for which a fee of **£200 +VAT** will be payable.

By signing this **Certificate of Exemption** you are confirming that:

- The authority has been in existence since before 1st April 2015
- In relation to the preceding financial year (2017/18), the external auditor **has not**:
 - issued a public interest report in respect of the authority or any entity connected with it

 - issued an advisory notice under paragraph 1(1) of Schedule 8 to the Audit and Accountability Act 2014 ("the Act"), and has not withdrawn the notice
 - commenced judicial review proceedings under section 31(1) of the Act
 - made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor **either** by email **or** by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Annual Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on a public website* before 1 July 2019. **By signing this certificate you are also confirming that you are aware of this requirement.**
