Dear Resident/Occupier,

We need to let you know about some works we're due to do on **C1185 From B4352 To Brobury Lane**. We will be carrying out repair to collapsed edge of carriageway and bank, installing a new drainage system to prevent future damage.

Works will be taking place under a full road closure, starting on **Tuesday 3rd September 2024 to (and including) Tuesday 24th September 2024**. The type of works we're doing will mean that the road will be closed for 24 hours each day. Access of residents only from A438 to Bredwardine Bridge, No access across the bridge from Brobury Lane.

The fully signed diversion route is via the B4352 Hardwicke/ C1182 Clifford/ B4350 to Whitney on Wye Toll Bridge/ A438 Winforton/ A438 Letton and vice versa.

We will do all we can to provide vehicular access to properties, although there may be times when we are not able to do so safely or there may be delays. You can get help and guidance from the dedicated marshals on site.

We are sorry for any inconvenience this may cause you. At Balfour Beatty we work in partnership with Herefordshire Council to minimise the impact of our work and try to keep all disruption to a minimum - we appreciate your patience.

The programme of work may change in certain circumstances, such as bad weather. This may happen at short notice and without further notification. All changes will be highlighted on the advance warning signs, which you'll find onsite at the roadworks.
